

They All

Come Back

"There are fads in medicine as well as in other things," said a busy druggist, "but the most remarkable thing about Hood's Sarsaparilla is that customers who try other remedies all come back to Hood's, and this is why the enormous sales of this great medicine keep up and continue the whole year round, steady as a clock."

Hood's Sarsaparilla

is the standard — the One True Blood Purifier.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. Will Not Perform Miracles But It Will Cure.

DR. MILES' RESTORATIVE NERVE CURE cures nervous prostration. Not miraculously, but scientifically, by first removing the germs of disease, and then supplying healthy nerve food, increasing the appetite, helping digestion and strengthening the entire system. Desperate cases require prolonged treatment as shown by that of Mrs. M. B. Reed, of Delta, Iowa, who writes: "As the result of a lightning stroke, the physicians said I had a light stroke of paralysis, my limbs would all draw up. I would have throbbings in my chest that seemed unendurable. For three months I could not sleep and for three weeks did not close my eyes. I prayed for sleep, and felt that if relief did not come I would be dead or insane. I took Dr. Miles' Restorative Nerve and the second night slept two hours and from that time on my health improved slowly at first, but steadily and surely. I took in all 48 bottles, and I cannot express how grateful I am, for I am now perfectly well, and have taken no medicine for over four months." Dr. Miles' Nerve is sold by druggists on guarantee that first bottle benefits or money refunded. Book on heart and nervous free. Dr. Miles Medical Co., Elkhart, Ind.

CASTORIA

for Infants and Children.

MOTHERS, Do You KNOW

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Dr. H. Pitcher* is on every wrapper.

Our Great Features

THE JOURNAL is pre-eminent a paper for the people. In news, politics and editorial opinions.

Farm Department

THE JOURNAL does not pretend to be an agricultural paper, but keeps up a well-edited farm department, by a competent farmer, who knows the needs of the Oregon farmer. It also contains correct market reports.

Woman's Department

A large volume of social news and good home matter of interest to the feminine part of the family is one of the attractive features of THE JOURNAL, the only newspaper in Oregon employing a lady editor.

Youth's Department

This feature is one of great value to a family with boys and girls. THE JOURNAL will not publish wishy-washy stuff in this department, but good, bracing matter, of an entertaining and educating character.

A Modern Newspaper

THE JOURNAL is the first and only paper in Oregon to meet the hard times by reducing the price and sending out only what papers are paid for in advance, and runs no bills. All papers are stopped when the time expires. This is important, and you should take the benefit of it, instead of paying out more money for poorer papers. Subscribe now, and interest your friends in THE JOURNAL, if they are not already taking it.
